

Pomegranate

Product Description

Made from sun-ripened pomegranates, our cloudy and clarified juices retain their deep ruby colour and refreshing sweet–tart flavour. Offered in frozen formats with long shelf life, they are the preferred choice for juices, cocktails, sauces, dairy blends, and health beverages.

Features & Sensory Profile

- **Colour** : Deep ruby red, characteristic of fresh pomegranate arils
- **Flavour & Aroma** : Fruity and refreshing, with a vibrant sweet–tart pomegranate flavour
- **Taste** : Crisp, tangy, naturally sweet with a slightly astringent finish
- **Appearance** : Homogeneous liquid with a rich, natural colour and consistent texture
